Route: Irkutsk - Listvyanka - Olkhon Island - Irkutsk

Recommended season: June - September

Summer tour

# «The North of Baikal»

Duration: 7 days / 6 nights

Route: Excursions and attractions

Recommended season: May - September

- Severobaikalsk (sightseeing tour)
- Nizhnengarsk (sightseeing tour)
- Panorama trail, observation point
- River Tyya
- Cape Ludar
- An ancient man's camp, petroglyphs
- village Baikalskoe
- Ludar caves
- Great Baikal Trail (GBT)
- Ritual Buddhist place (OBO)
- Buddhist Stupa
- Onokochanskaya Bay
- Yarki Island
- Water travel
- Thermal Spring Dzelinda
- Museum of local lore, open-air museum, BAM museum
- Evenk camp, center "Sinilga"
- Museum of BAM history, winter garden

## Day 1

Arrival to Severobaikalsk.  
Meeting at the railway station at 15.00 (check the time before the trip) in the station building under the clock. It is possible to meet at the airport of Nizhngarsk on arrival zone (flights from Ulan-Ude and Irkutsk). Travel excursion. Transfer to the hotel.  
Accommodation.  
Dinner.  
Walk along the shore of Lake Baikal.  
Return to the hotel. Dinner.  
Route: by auto 25 km  
Meals: lunch, dinner

## Day 2

Breakfast. Sightseeing tour of Severobaikalsk. Additionally, it is possible to visit the winter garden and the BAM history museum (additional fee). Climbing up along the Panorama trail to the top of the hill, from which a magnificent views of Severobaikalsk and other settlements (from a bird's eye view), Lake Baikal open up. Descent to the mountain river Tyya, the water in which is pure and sweet in taste. Picnic. Return to hotel or drive to the beach. Rest. Dinner.  
By auto 50 km, by foot 5 km  
Meals: breakfast, lunch, dinner

## Day 3

Breakfast. A trip to the thermal spring Dzelinda or Goudzhekit. According to ancient Slavic legends, on the runs of the Haari Sea (as Baikal was called in ancient times) there was a source of life, which was carefully guarded and protected, it came to the surface in different places. It is believed that all warm springs out of the ground are a part of this source that gives strength. The source is located in the valley of the Upper Angara River. Equipped with 2 swimming pools, changing rooms, cafe, picnic area. Lunch in nature. Return to the hotel. Dinner (Bathing in the springs additional payment - 300 rubles.)  
By auto 120 km  
Meals: breakfast, lunch, dinner

## Day 4

Breakfast. Drive to Yarki Island. Water travel on a motorized hovercraft. Stunning views of Lake Baikal from the water. The island stretches in a narrow strip from one coast of Lake Baikal to the other, the length of the island is 15 km, width is 50-400 m., Beautiful sandy beaches, the warmest water on Lake Baikal. On the other side of the island is Lake Verkhnyangarskiy Sor, where the water is even warmer and just as clear and transparent, in addition, there is just a paradise for fishermen. Picnic in nature. Dinner at the hotel  
By auto 10 km, by catamaran 10 km  
Meals: breakfast, lunch, dinner

Traditionally, having heard the combination of the North of Baikal, it is considered that it is cold there, but in the North of Baikal it is warmer than in the South, this phenomenon is caused by the warm rivers flowing into Baikal in the North, the wind rose and the shallower bottom of Baikal. The water in the North warms up to 25 degrees (yes, yes, you can swim in Baikal), in the village of Nizhnenagarsk and on Yarki Island there are excellent beaches with white sand, in addition, there are 4 thermal springs nearby, where you can swim in any weather. On this tour you will find: a boat trip to the Yarki Island, the Dzelinda thermal spring, the Ritual Buddhist place, Cape Ludar, the views that are very similar to Olkhon, in addition, there are caves and an ancient man's camp, ethnographic excursions and a recreation center where you will be able to stay both in a comfortable guest house and in exotic Mongolian yurts.

Duration: **7 days / 6 nights**

Route: **Extended**

Recommended season: **May - September**

### Day 5

Breakfast. Drive to the village of Baikalsk and to Cape Ludar. In this area, the nature of Lake Baikal is very similar to the Maloe More and Olkhon, very beautiful views are a paradise for photographers. An ancient man's camp was discovered at Cape Ludar. You will see a cave, petroglyphs, go up to the meteorological station, walk along the famous Great Baikal Trail. On the way, you will visit a Buryat ritual place (OBO), a shamanic and Buddhist place of rituals, this is a place of power, here you can ask the spirit of the area to fulfill your deepest desire. Also you will see the Buddhist Stupa. A magnificent view opens from OBO - a picturesque lagoon, bordered by a forest collar, the visiting card of Severobaikalia - Onokochanskaya Bay. In the ancient fishing village of Baikalskoye, you will visit a private museum, which contains an unique collection of fishing utensils, interesting antiques

By auto 80 km, by foot 6 km  
Meals: breakfast, lunch, dinner

### Day 7

Breakfast. Departure from the hotel. Transfer to the station (to the airport on request) Free time: visiting the market, where you can buy the famous Baikal fish - omul

By auto 24 km  
Meals: breakfast

### Day 6

Breakfast. Excursion to the Museum of Local Lore, the Museum of Military History of Severobaikalia, the BAM Museum. The museum has an interesting collection, including an open-air museum, where you will see the Evenk national house - chum, the BAM trailer, in which the builders of the BAM lived, and a recreated Cossack burg. Relax on the beach. Lunch Dinner. It is also possible to visit the Evenk camp, the center of Sinilga (additional fee 500 rubles).

By auto  
Meals: breakfast, lunch, dinner
